

# OUR COMMITMENT TO SAFETY

The EBS team is focused on creating exceptional experiences that ignite connection and commerce, especially through our in-person events this fall. The health and safety for our event attendees, exhibitors and sponsors is of the utmost concern and priority of The EBS team. In an effort to maintain the health and wellbeing of all participants at our events, The EBS team has implemented new event standard operating practices and procedures:

**HIGH-TRAFFIC AREAS** (such as handrails, escalators, door knobs, elevator buttons, etc.) will be disinfected by a staff member every two hours.

**HAND SANITIZER** stations will be available throughout the event space.

**MASKS** will be required for all attendees in accordance with CDC guidelines and best practices. Don't forget to pack your mask! They will be required unless you are Presenting onstage, or eating + drinking.

**VACCINATION PROOF** must be provided prior to entering the event on-site in Las Vegas. All attendees must be vaccinated in order to attend the event. All event staff and vendors will also be vaccinated. Attendees will be required to utilize the "ShareMyhealth" app to upload proof of their vaccination status.

**TOUCH-LESS REGISTRATION** will be implemented onsite and physical distancing practices will be implemented.
